CAREER OBJECTIVE

As a recent IT graduate, I aim to secure a dynamic entry-level position in the industry to apply my academic knowledge and skills, while contributing my fresh perspective and enthusiasm to a team in a supportive and innovative environment where I can continuously learn and grow.

EXPERIENCE

WEB DEVELOPER (INTERN)

Quantum Cloud Corp., Imus City | March 2023 - July 2023

Quantum Cloud Corp is a small but agile player in the IT outsourcing arena. With a dynamic team of 20 to 50 dedicated professionals, we specialize in Information Technology services and robust security solutions. Our commitment to excellence drives us forward as we strive to make a significant impact in the industry.

COMPANY PROJECTS

BARANGAY MANAGEMENT SYSTEM

March 27, 2023 - July 12, 2023

The Barangay Management System is a crucial tool for efficiently managing records, promoting transparency, and enhancing governance in the smallest administrative unit of the Philippines, the barangay. It facilitates communication, resource allocation, and data analysis, benefiting residents and ensuring disaster preparedness.

THESIS PROJECTS

ONLINE ORDERING SYSTEM FOR KOREAN BITES

September 2021 - January 2022

This system serves to assist cafes and restaurants in adapting the pandemic's challenges by enabling safe online transactions between customers and managers. It caters to individuals in-person visits and helps businesses maximize orders and during these uncertain times.
